Edgewell Personal Care Ranked #1 Employer in Connecticut on Forbes America's Best-In-State Employers 2025 List

08/25/25

SHELTON, Conn., Aug. 25, 2025 /PRNewswire/ -- **Edgewell Personal Care Company** (NYSE: EPC) is proud to be included on the Forbes list of **America's Best-In-State Employers 2025**. Ranked as the #1 employer in Connecticut, this marks the third year that Edgewell has been named to the list. This prestigious award is presented in collaboration with Statista, the world-leading statistics portal and industry ranking provider.

Rod Little, President and Chief Executive Officer stated, "We are honored to be recognized as Connecticut's Top Employer. With our global headquarters in Connecticut, our teammates are constantly pushing boundaries by working to innovate for the future and make our portfolio of brands stronger. It's why Edgewell is committed to living our purpose and values by putting people first and treating every member of our team with respect and transparency. We're proud to offer comprehensive benefits, a focus on the wellbeing of our teammates, access to resource groups and daily interactions that build meaningful connections. When we cultivate a community that's rewarding and supportive, we can ensure that our team has the ability to advance and grow. With that, I'm optimistic for a strong future ahead for Edgewell."

Forbes and Statista selected America's Best-In-State Employers 2025 through an independent survey from a vast sample of over 160,000 U.S. employees working for companies employing at least 500 people within the U.S. Over 2 million employer evaluations were considered. The final score is based on two types of employee evaluations: personal (those given by employees themselves) and public (those given by friends and family members of employees, or members of the public who work in the same industry).

This recognition reinforces that Edgewell's People First values matter to its employees and make a difference. The company continues to lead the industry on a statewide level in employee satisfaction and continues to employ those same purposes, values and behaviors, in its locations worldwide.
