The Breast Cancer 3-Day is a series of 15 events across America where participants commit to walk 60 miles over the course of three days to raise funds to support breast cancer research. This year, Energizer is helping walkers in a much-needed way - by providing fun and encouragement at the end of long days of walking. The Energizer Live it Up! Lounge is a traveling pink oasis set up at the Breast Cancer 3-Day camp where walkers can enjoy games, giveaways and complimentary chair massages generously donated by members of the American Massage Therapy Association®. From Boston to San Diego, Energizer will be helping thousands of walkers recharge as they take steps for the cause.

"We are proud to sponsor such an amazing event that truly highlights the perseverance and never-quit spirit of thousands joining together in the fight to end breast cancer," said Betsy Laakko, Director of Marketing for Energizer. "We hope the walkers and supporters are inspired by the unstoppable energy of the Energizer Bunny® as they travel on this 60-mile journey to help find the cures."

In honor of National Breast Cancer Awareness Month, Energizer has created a limited-edition *Keep Going*® Journal, the first in a series, to benefit Susan G. Komen for the Cure. The collectible 80-page journal, which features inspirational quotes, a calendar and a pink ribbon bookmark, is available by mailing in three proofs of purchase from select *Energizer*® battery packs. For every journal redeemed, Energizer will donate \$1.00 to Susan G. Komen for the Cure, up to \$15,000 with a minimum guaranteed donation of \$10,000. In addition, commemorative pink batteries will be available during the month of October at retailers nationwide. The Energizer Family of Brands - including Playtex® feminine products, Wet Ones® wipes, Playtex® Living Gloves® and Energizer® Batteries - will also be joining together this October to make a donation of \$400,000 to Susan G. Komen for the Cure.

"We are thrilled that Energizer has taken its support to an even higher level by becoming the 2009 Presenting Sponsor of the Breast Cancer 3-Day and through special National Breast Cancer Awareness Month efforts," said Katrina McGhee, Vice President of Marketing at Susan G. Komen for the Cure. "For 27 years, Susan G. Komen for the Cure has been on a mission to end breast cancer forever, and the *Keep Going*® spirit of Energizer makes them a perfect partner in helping to see this mission realized."
