09/18/23

SHELTON, Conn., Sept. 18, 2023 /PRNewswire/ -- **Edgewell Personal Care Company** (NYSE: EPC) has been recognized as a **Top Workplace of 2023** by Hearst Media Services. Based on the feedback of employees in its two Connecticut locations, the global headquarters in Shelton and manufacturing facility in Milford, Edgewell earned a place on the list due to its strong culture, focus on learning and development, iconic portfolio of brands and track record of success in market.

Rod Little, Edgewell Personal Care's Chief Executive Officer stated, "At Edgewell, we are focused on the continuous elevation and improvement of our teammate experience. We aim to support and empower our teammates, not just in Connecticut, but around the world by cultivating a diverse and nurturing culture where career development is prioritized, innovation thrives and individuality is encouraged. I look forward to continuing to make Edgewell a joyful place to work and would encourage anyone currently looking for the next step in their career journey to consider Edgewell."

Being awarded a Top Workplace is based solely on employee feedback. This information was gathered though a third-party survey administered by employee engagement technology partner, **Energage** LLC. The confidential survey uniquely measured 15 culture drivers that are critical to the success of any organization, including alignment, execution, and connection, just to name a few.

"Earning a Top Workplaces award is a badge of honor for companies, especially because it comes authentically from their employees," said Eric Rubino, Energage CEO. "That's something to be proud of. In today's market, leaders must ensure they're allowing employees to have a voice and be heard. That's paramount. Top Workplaces do this, and it pays dividends."
