The Company Details its Progress From the 2024 Fiscal Year Across its Business and Functions

SHELTON, Conn., June 24, 2025 /PRNewswire/ -- [Edgewell Personal Care Company](#) (NYSE: EPC) has released its fiscal [2024 Sustainability Report](#). The report dives into the progress, performance and achievements toward its *Sustainable Care 2030* strategy, which serves as a roadmap to guide the Company's path forward. Through the three pillars of the strategy, the report details the ways in which Edgewell is embedding sustainability across its Brands, Operations and Supply Chain and People and Communities.

Rod Little, President and Chief Executive Officer of Edgewell Personal Care stated, "Fiscal 2024 was another year of positive results and continued transformation for Edgewell, with sustainability as a key enabler of our long-term business strategy. I'm proud to say we reported some solid accomplishments in the past year, and this report details the many ways we are continuing to move forward in our sustainability journey. We understand that these accomplishments were possible by staying true to our core values and ensuring that they guide all our interactions and choices. In the face of a challenging external environment, Edgewell is committed to operating responsibly and continuously evolving with our consumers and stakeholders. I'm confident that our strategy, innovation and leadership will keep us moving forward."

In fiscal 2024, Edgewell continued to make meaningful strides toward its sustainability objectives, which can be seen throughout the report:
